## Vandalism of Street Signs

Vandalism of signs on Oak Island or in the Oak Island area is against the law. Removing or destroying a sign can cause a person to have an accident by not stopping or yielding at the proper location. When someone removes or turns a street sign they make it difficult to see the sign and can cause an accident. Because of these dangers the person who purposely removes or destroys a sign is liable for breaking the law. This also costs the tax payers money. If you are caught tampering with a sign you will be punished to the fullest extent of the law.

*From the Oak Island Police Department*

## Town Tree Inventory Underway

The town's Urban Forester, Chuck Daniels, and several members of the Tree City, U.S.A. advisory committee have begun an inventory of trees on the public right-of-way throughout the summer months or until completion. Please do not be alarmed if you see someone measuring trees on your street.

## Nixle

The Town of Oak Island is launching a new Community Information Service designed to deliver important and timely information to residents in our area using the latest technology. The service, created by Nixle, LLC delivers trustworthy and important neighborhood-level public safety and community event information by web, e-mail, and cell phone.

Nixle is completely free, simple, and trusted. (Standard text message rates apply for cell phone subscribers who do not have text plans with their cell phone providers)

Residents of Oak Island can now take advantage of Nixle. Nixle is a community information service that alerts you to public safety information and community events via web, e-mail, and cell phone. Sign up at [www.nixle.com](http://www.nixle.com) to register. Or contact Lieutenant Franks (910) 201-8934

## YARD WASTE / SPECIAL TRASH

Beginning July 6, 2009, "Special Trash Pick-Up" (brown and white goods) will be collected by zone on a monthly schedule the same as your Yard Debris Monthly Schedule.

"Brown Goods" include old furniture, TV's, mattresses, grills, and boxes of general household trash. **NOT MORE THAN ONE PICK-UP TRUCK LOAD** of these items will be collected per month.

"White Goods" are major appliances such as refrigerator, freezers, air conditioners, water heaters, washing machines, dryers, and dishwashers. **NOT MORE THAN TWO** of these items will be collected per month.

**Town of Oak Island**

## **STORMWATER POLLUTION PREVENTION HOTLINE (910) 201-8008**

The Stormwater Hotline was established to allow citizens the opportunity to report potential Stormwater pollution and hazards. Town of Oak Island residents are urged to be aware of what is going on in the community surrounding them. If you see excessive erosion from a construction site, or if you believe that an illegal discharge into our drainage system has occurred (e.g., any dumping into catch basins, ditches, tidal creeks, or waterways), please call the Stormwater Hotline so that we can investigate potential problems.

**Please be prepared to give the following information if possible:**

- Source of pollution
- Location of problem
- Responsible party (if known)
- Date and time

**Thank you for your support and help with keeping our waterways clean and clear!**
